

GFWC Arizona President's Special Project

GFWC Arizona President's Special Project

Celene Post, GFWC Arizona State President, has developed the project "*GFWC Arizona Cares 4 Kids*" as her President's Special Project for her 2016 -2018 administration.

How It Works

- Clubs can use Cares 4 Kids bags for their projects for children.
- Clubs fill these bags with items for children.
- Included in each bag will be the *Cares 4 Kids* insert and an informational sheet about GFWC's Junior Special Project and GFWC Arizona contact information.
- Once the bag is filled, the club delivers them to local organizations.

Types of kits

Clubs can use their imaginations on the types of kits they can provide children.

- Emergency bags for children taken away from their homes due to domestic violence
- School supply kits
- Birthday kits filled with cake mix, candles, cupcake holders, party favors
- Holiday theme kits for parties for children
- Art kits for children in hospitals

Where to Report

All *GFWC Arizona Cares 4 Kids* projects should be reported in the GFWC Junior Special Program: Advocates for Children.

Please contact Debbie Grieder at dgrieder1@cox.net if you have any questions about this project. Have fun!
